REQUEST FOR PROPOSALS (RFP) NO 21005
Consultant for Diversity, Equity and Inclusion
for the
Bremerton Housing Authority (BHA)

2.0 INTRODUCTION AND BACKGROUND OVERVIEW

Bremerton Housing Authority (BHA) was formed on July 17, 1940 under the authority of the State Housing Authorities Law (RCW 35.82) and the Housing Cooperation Law (RCW 35.83). BHA is governed by a six (6) member Board of Commissioners appointed by the Mayor of the City of Bremerton. BHA is a public corporation that contracts with the US Department of Housing and Urban Development (HUD) to provide low rent public housing and Section 8 assistance payments for the communities it serves. BHA administers a broad range of federally and locally financed housing programs within the limits of the City of Bremerton. BHA owns or manages 573 units of housing and provides rental subsidies to 1,558 additional households.

3.0 PROJECT BACKGROUND:

Overview: One of BHA's FY2022 agency goals is to develop a diversity, equity and inclusion (DE&I) program. BHA created a DE&I Ambassador group which is made up of staff from each area of the agency. The DE&I group, along with our agency leadership team, hopes to work closely with a DE&I consultant to ensure DE&I efforts have a strong external impact by revisiting policies that impact clients and our services, reviewing staff recruitment processes, increasing BHA's presence at community events and organizations, and improving client/resident outreach. While this is a key component of our FY2022 goals, we understand that this work is a multi-year endeavor.

4.0 SCOPE OF WORK (SOW):

The scope of work includes assistance with the below components. For interactive sessions, BHA plans to hold separate sessions for staff and our leadership team. BHA is comfortable with performing this work virtually, and BHA is open to meeting in person if/when both the vendor and BHA determines it to be best to do so. We welcome proposals and reserve the right to recommend additional or different actions in the interest of promoting Diversity, Equity, and Inclusion (DE&I) throughout our BHA practices.

- 1) Conduct initial meetings with BHA staff and leadership to establish Consultant's approach to the work, how they will handle sensitive or confidential information, and create a safe space for dialog. Consider immediately forming affinity groups or other strategies for supporting staff that might be nervous about this work.
- 2) Design and assess the state of DE&I within BHA. This will include a comprehensive assessment of BHA's strengths, weaknesses, opportunities, and threats with respect to DE&I. Specifically, BHA sees the need to assess and/or provide:
 - a. Current level of awareness of bias and sensitivity in communication among staff; stakeholders, and customers;
 - b. Current hiring and retention policies at BHA;
 - c. Current leadership and supervisors' ability to provide an inclusive and equitable place to work;
 - d. BHA's housing and program design and delivery to those we house and serve (including program admissions policies);
 - e. Provide insight and knowledge on DE&I best practices (including best practices from the affordable housing industry);
 - f. BHA's engagement with the local community;
 - g. Recommendations on DE&I strategies for FY2023 & FY2024; and
 - h. Identification of other areas for improvement as it relates to DE&I.

Assessment results will be used as a reference when later assessing progress against goals.

Consultant for Diversity, Equity and Inclusion

Bremerton Housing Authority (BHA)

3) Support BHA in executing action plans from the assessment. Collaborate with BHA leadership and staff to articulate a clear set of DE&I goals and draft an action plan with specific activities. We envision the consultant working with BHA to design clear and measurable DE&I goals for BHA, along with an action plan that would include a theory of change, timelines, and detailed descriptions for the kinds of activities that will be implemented within BHA to promote DE&I. Depending on the topic, activities may be designed as interactive workshops with staff, targeted training for BHA, and/or expert advice on recommendations to improve BHA’s organizational policies and procedures.

4.1 Contract Period: BHA anticipates that it will initially award a contract for a period of approximately one (1) year with the option, at BHA’s discretion, of four (4) additional one (1) year option periods (+4/1).

4.2 Timeline and Milestones: The below table sets out the timeline for the various deliverables sought, noting that proposals can suggest alternative timelines if that is deemed a better approach.

Deliverable/Milestone Tentative Timeline	Tentative Timeline
1. Conduct DE&I assessment.	
a. Collaborate with BHA to develop scope and metrics.	2 weeks after contract signing
b. Conduct assessment.	2-4 weeks after completing Milestone 1.a

2. Develop DE&I goals and action plan.

8.0 CONTRACT AWARD:

8.1 Contract Award Procedure: If a contract is awarded from this RFP, the following detailed procedures will be followed:

8.2.3.2 The decision of BHA not to include such requirements does not give the successful proposer the right to refuse to execute the agreement with BHA. If the prospective proposer is not willing to abide by BHA's response (decision), then that prospective proposer shall be deemed ineligible to submit a proposal.

8.2.6 Right to Negotiate Final Fees: BHA shall retain the right to negotiate the amount of fees that are paid to the successful proposer, meaning the fees proposed by the top-rated proposer may, at BHA's option, be the basis for the beginning of negotiations. Such negotiations shall begin after the evaluation panel has chosen a top-rated proposer. If such negotiations are not, in the opinion of the CO and/or ED successfully concluded within five (5) business days, BHA shall retain the right to end such negotiations and begin negotiations with the next top-rated proposer. BHA shall also retain the right to negotiate with and make an award to more than one proposer, as long as such negotiation(s) and/or award(s) are addressed in the above manner (i.e. top-rated first, then next-rated following until a successful negotiation is reached).
