Dear Bremerton Housing Residents:

Bremerton Housing Authority sends our regards during this unusual time due to the COVID-19, or coronavirus; we hope you are well. Things have been moving in so many directions its been hard to keep up. Please know we are here!

Bremerton Housing Authority is currently closed to the public, essential staff are working and will continue to come to work. There are drop boxes located at 600 Park Ave, The Tamarack Apartments, Charter House and The Summit (addresses are located on our website).

If you have an interruption and or a decrease in income, please fill out a change of circumstance at our website at bremertonhousing.org. We are expediting requests to ensure that rents are adjusted accordingly. If you have work that needs to be done in your unit, please submit a work order. An electronic version is on the website or you may use the drop boxes. BHA will empty these drop boxes several times a day.

The purpose of Governor Inslee's request is to slow the spread of the COVID-19 and to help ensure that our hospitals and medical providers are not overwhelmed with individuals that are sick with COVID-19. Unfortunately, all the relief offered through the State of Washington & HUD (Housing & Urban Development) only applies to market rate rentals; therefore, Governor Inslee's declaration does not apply to BHA residents. BHA residents are still required to pay their rent on time and no later than the 5th day of the month. BHA understands this is a difficult time, and that we are all doing the best we can.

We are using our website to get current information out there. If you don't have access to internet you call me at number listed below, or the office number for your building as we are manning the phones. Lastly, if there is something, we can do for you while respecting "social distancing", please let us know.

Here is the website address for current information, work orders, and change of circumstances

Hang in there "We got this"!
