Registering multiple accounts – for property managers

Once you are logged in, click on the Register Multiple Accounts tile on your dashboard

You'll then be prompted to enter another Registration Code – you should've received one for each owner whose unit you manage

Register Multiple Accounts

Use this screen to register your landlord account with another housing agency or register multiple accounts with the same agency. After you register, you can access all your records using a single account and login information. Enter the new registration code to get started.

Register

Account Nickname (optional): have a way to recognize your account at-a-glance

Tax ID or SSN of legal owner/entity

The same email you used to register before

Red asterisks are mandatory fields

Complete the required fields. Note that the Account Nickname field is optional, but is a great feature for companies who manage multiple units. Skip to next page to see why.

Note:

- Use the same email address you used before
- Tax ID/SSN is for owner or entity, not the company
