NEW HORIZONS

Overview

KCS provides refurbished computers to our community support program to qualifying low-income applicants of **any** age. Everyone is eligible, including special needs residents and students. We deliver the computer to you!

Computer Donations

Are you upgrading your old, well loved computer? New Horizons is accepting good condition used computers to recycle in our community. Donations must be a laptop or all-in-one form factor and capable of running a modern Operating System (Win 10+ / MacOS 13+) Contact us if you would like to donate!

We process all donated computers with a strict data-erasure process which eliminates all traces of former use, including all personally identifying information. The computer will be returned to a like-new operating state by trained personnel.

EVENTS

Open Forum

Meets second Wednesday of the month, (except July, Aug & Dec) from 12:30 to 2:00, online over Zoom. The focus will begin with general computer questions, then to Windows 10/11 general features and techniques.

"Absolute Beginner" Classes

Hosted by Mary Ann Confar, Absolute Beginner classes are held via Zoom on the 1st, 3rd and 5th Thursdays from 10:30 AM to 12 Noon.

Hands-on classes are held at the Sylvan Way Kitsap Regional Library on the 2nd and 4th Thursdays from 11 AM to 12:30 PM.

KCS TECH LIST

The tech list is used to request help with computer-related problems and for the occasional announcements of interest to the membership from the KCS President and designated representatives of the board. Only KCS members can use the private Tech List.
