Conversion of Public Housing to Project-Based Rental Assistance or Project-Based Vouchers under RAD.

Project Based Vouchers.

Units with Approved Vacancies for Modernization.

Other Capital Grant Programs (i.e., Capital Fund Community Facilities Grants or Emergency Safety and Security Grants).

(b) If any of these activities are planned for the current Fiscal Year, describe the activities. For new demolition activities, describe any public housing development or portion thereof, owned by the PHA for which the PHA has applied or will apply for demolition and/or disposition approval under section 18 of the 1937 Act under the separate demolition/disposition approval process. If using Project-Based Vouchers (PBVs), provide the projected number of project-based units and general locations, and describe how project basing would be consistent with the PHA Plan.

BHA has one property located at 600 N. Oyster Bay Avenue in Bremerton that is just under one acre. It can't be developed due to ground contamination. Development would require clean-up of the site which would be extremely expensive. The only option approved by the Department of Ecology is to cap the property and use it for something that does not require penetration into the soil. BHA has hired an attorney to

determine financial liability for clean-up and whether there is other funding available to assist with clean-up. There may be grant funding that could pay for clean-up which would allow it to be developed. If it's possible to clean up the property and develop it for use by BHA, BHA will pursue that option. If not, BHA will attempt to sell the property. HUD has no interest in this property. The property is fenced with no access.

BHA has met with HUD to discuss the development of 300 Faircloth units available from the Westpark redevelopment. There is a 109-unit apartment complex that may be suitable for this development. BHA may pursue this in 2025 by purchasing the property and applying to HUD to begin this process.

BHA has submitted its application for a RAD conversion of Public Housing to Project Based Vouchers. The application has been approved. BHA has entered a design-build contract with an architect and contractor. This project is being managed by a development contract who has been under contract with BHA for more than a year. The required entities for this conversion have been created, and BHA is currently working through the required due diligence items. BHA will procure an investor and anticipate closing in December of 2024 with rehabilitation beginning in 2025. The public housing properties that are involved in this first phase of repositioning are:

- Winfield (WA003000007) which includes 4 buildings (2 duplexes, 1 8-unit apartment building, and 1 12-unit apartment building) for a total of 24 units. There are 2 one-bedroom units, 21 2-bedroom units, and 1 3-bedroom unit at this property. All of these units are public housing.
- Wright Court (WA003000013) which includes 8 buildings with a total of 13 units. Six of the 13 are Public Housing. Of these six, three are 1-bedroom and 3 are 2-bedroom.
- Shadow Creek (WA003000008) which includes 4 buildings for a total of 32 units. Of the 32 units, 15 are public housing. All 15 are 2-bedroom units.
- Charter House (WA003000009) which is a one-elevator building that has been designated elderly. There are 30 units in this building. Of those 30, 11 are public housing. All 11 units are 1-bedroom units.
- Casa Del Sol (WA00.000012) is a one-elevator building with 18 units. Of those 18, six are public housing and all are 1-bedroom units.

BHA has partnered with other community agencies to construct emergency and pallet shelters for Kitsap County within the City of Bremerton. Currently, the agencies are looking at developed and undeveloped land to determine where the shelters will be located.

BHA anticipates issuing an RFP for Project-Based Vouchers in early 2025. In this RFP, BHA will provide an opportunity for agencies to apply for up to 50 vouchers for existing and new construction projects in Kitsap County. Project-basing units is consistent with BHA's plan since it increases affordable housing opportunities by attaching subsidy to units that were previously or might have become market rate.

BHA currently has one HUD-approved unit that is offline for modernization. In 2025, BHA anticipates having up to 15 units at a time offline as the repositioning rehabilitation begins.

BHA has applied for an Emergency Safety and Security Grant. If awarded, BHA will use these funds to add cameras to and improve lighting at PH properties.

B.3 Progress Report.

Provide a description of the PHA's progress in meeting its Mission and Goals described in the PHA 5-Year Plan.

Mission: BHA provides high quality, stable and sustainable housing and related services to people who have limited financial means. Our work is to help our clients become economically self-sufficient and at the same time strengthen communities. We will use our public and private resources effectively and efficiently.

- As outlined below, BHA has taken steps to increase housing in Bremerton, provide opportunities and resources to our residents, and to diversify funding sources to ensure that Bremerton can continue to serve the community long into the future. BHA continues to look for ways to partner with other agencies or provide subsidy to ensure that the affordable housing stock in Bremerton continues to grow.

Goal: Partner with Kitsap Mental Health Services to provide rental assistance using Project-Based Voucher program at the new Supportive Housing Complex due to be rent ready in 2021.

- The Bremerton Housing Authority has partnered with Kitsap Mental Health Services since 2021 to operate Pendleton Place, a new Supportive Housing complex in Bremerton that follows the Housing First model. BHA is the property manager and KMHS provides mental health and other services to the residents.

Goal: Increase the services for residents to increase self-sufficiency and increase quality of the life by making more resources more readily available, increase outreach, and create resident opportunities through mentoring.

- BHA has developed a rental assistance and security deposit program which consists of multiple sources of funding. This assistance is used for people who are at risk of eviction or who need assistance to move into a new unit.
- BHA has partnered with a local church to provide fresh fruit and vegetables to residents once a month.
- BHA uses a monthly newsletter to inform residents of resources and services that are available. These include a mobile medical service, computer classes, access to the computer labs, and other things happening at each property. This includes semi-annual junk-removal days, shredding services, resource fairs, and other events.
- BHA has maintained its commitment to the Family Self-Sufficiency Program and recently modified the program to enable Public Housing residents to participate.

Goal: Hold residents more responsible for lease compliance to decrease the amount of tenant-caused damage and increase tenant rent/damage collection so buildings can cashflow better.

- Property Management staff discuss the importance of renter's insurance when orienting all new residents.

	<ul style="list-style-type: none"> Property Management staff are diligent about following the collections procedures and included expenses in the final disposition that are tenant-related expenses. Property Management works with the Community Connections Team to address compliance issues when management staff see an issue that may result in a lease violation. Community Connections helps the resident find resources for housecleaning, junk removal, and educational opportunities to ensure that the resident has the knowledge and skills to comply with the lease. <p>Goal: Research the possibility of doing a “Voluntary Conversion” of BHA’s Public Housing units to Project-Based Voucher units.</p> <ul style="list-style-type: none"> BHA has applied to HUD to reposition its public housing properties, and the application was approved. The first phase of the repositioning began in 2023 and continues. Closing is anticipated in late 2024 with rehabilitation of units beginning in 2025. <p>Goal: Research and develop the possibility of creating a nonprofit to increase funding opportunities.</p> <ul style="list-style-type: none"> BHA formed its non-profit, Sound Communities, in January of 2020. Since then, the non-profit has been used to accept monetary donations. BHA participates in the local Great Give program enabling donors easy access to donate. The non-profit is also used when requesting in-kind donations for BHA properties.
