Any other additional details you want to share?

Modern and charming completely remodeled one story home w/basement. Lot of upgrades here with newer kitchen cabinets, counters, flooring, paint and much more. The main living area is very open with vaulted ceilings and a cozy gas fireplace, front den/office nook. The two bedrooms are spacious and adjacent to the updated bathroom. Kitchen door opens up to the fenced backyard with plenty of room for gardening or pets. Unfinished basement area would be great for storage or workshop space. The home is located on a dead end street and in an area of nice homes and very near water, shopping, restaurants, highway commute and PSNS. Would make a great starter home or potential rental. Come check this one out all the work has been done for you. Email me for quick response elis31565@gmail.com
